

CIRSE 2024 TRUCK MEETING POINT

For the unloading and reloading at/from the CIRSE 2024, we kindly ask to read this email carefully and follow the instructions.

Please forward this email to the right person /department/ forwarding company.

All trailers (selfoffloader / selfloaders also) must report here

<https://www.google.com/maps/@38.6975231,-9.1870098,217m/data=!3m1!1e3?entry=ttu>

All truck which are not reported at this spot is seen as not arrived. Truck driving directly to unloading place, without registration has to wait there.

From here we will direct the trucks for unloading & reloading. **All trucks will be registered with numbers in order to identify them all.**

t

Trucks without IML registration number cannot drive directly to the exhibition halls directly.

Truck driver must know for whom they are delivering/Picking up the shipment (STANDBUILDER / EXHIBITOR / HALL & BOOTH NBR) Unloading Time.

Truck with no information has to wait, then we cannot guarantee the unloading slot. The given unloading/reloading Slot is a estimation.

TRUCKS NOT REPORTING AT IML GATE WILL NOT BE REGISTERED = NOT ARRIVED = MUST WAIT.
